

LED PAR HEAD A51-E

产品参数

OPTICS

12 x15W highpower LEDs: 4 in 1 LED make extremely even and smooth color mixing effect

Extremely long life: 50000H and lower consumption

High-efficiency PMMA secondary optics

COLOR

Dynamic Colour Macro Effect with variable speed

Color temperature linear adjust from 2700K to 8000K

Preset color temperature with: 2700K, 3200K, 4300K, 5600K, 6500K, 8000K

FEATURES

3 Control channel modes: 29/16/38 channels

3 Operational modes: DMX-512, Master/Slave and Stand alone mode

Ring control: can make extremely chasing effect

Shutter: Variable from 1-25 flashes

Dimming: 0-100% linear dimming

Zoom :5 ° - 50 ° linear zoom

DISPLAY

Friendly touch full color LCD display

SOFTWARE

RDM compatible

POWER

Maximum power: 200W

AC100-240V,50/60HZ

DIMENSIONS AND WEIGHT

Product dimension: 44x44x35.5cm

Net weight:8kgs

Gross weight:10kgs
