

CCS 053,054

Large Heavy-Duty System Carry Cases

CCS 053

CCS 054

The **CCS 053** is ideal for protecting and transporting large DigiWave, FM, or IR systems. This case has a lower foam insert with 60 slots, and a 60-slot top insert providing 120 total slots. Slots can hold single PPA Transmitters or Receivers, or can hold two Digiwave devices per slot. It has an extendable handle and bottom wheels for easy transport. Ideal for conferences, tour guide systems, or overseas shipping. Compatible with all Williams Sound body-pack transmitters and receivers. The CCS 053 replaces the CCS 048. 26.2"L x 19.7"W x 13.2"H, 23lbs.

The **CCS 054** is ideal for protecting and transporting large DigiWave, FM or IR systems. It has a lower foam insert with 60 slots, and an open-bay style top insert. Slots can hold single PPA Transmitters or Receivers, or can hold two Digiwave devices per slot. It has an extendable handle and bottom wheels for easy transport. Ideal for conferences, tour guide systems, or overseas shipping. Compatible with all Williams Sound body-pack transmitters and receivers. The CCS 054 replaces the CCS 049. 26.2"L x 19.7"W x 13.2"H, 23lbs.
